DEDICATION

BERKELEY HIGH SCHOOL - WEST CAMPUS

CARL DWIGHT
Head Dean

The West Campus came into being this fall, quietly and auspiciously. The gears meshed with few of the creaking problems that usually beset new undertakings. In a short time, it became evident that our program was meeting with a success beyond our highest hopes.

The atmosphere at West Campus is heartening. Student morale is excellent. Our recent class elections were carried through in a spirit of friendly rivalry that emphasized the healthy attitudes of our students.

Scholastically, there is keener competition as well as the stimulus that comes from broadening horizons. Even more importantly, these broadening horizons, these contacts with others of different backgrounds and environments, are contributing to the understanding that is the essence of education.

The enthusiasm of the staff, itself undergoing a new experience, has transmitted itself to the students. There is an increased atmosphere of friendliness and a definite record of students relating successfully to each other.

One thing that we can be certain of, there will be changes. We hope that we can build strength and flexibility so that our youngsters' contribution will be toward beneficial change. On our part, we wish to be sure that we have enabled the boys and girls of today to have a better understanding of the problems they must face in adulthood.

MARJORIE RAMSEY
WEST CAMPUS

EMERY J. CURTICE
Principal

There seems to be much concern on the part of our youth of college and high school ages today relative to the freedom of speech and political activities. A minority of these youth even go so far as to openly and defiantly break the laws and apparently are willing to suffer the consequences. No government can long exist that allows its people to violate laws without subsequent punishment.

In our democratic form of government a law can be changed through regular processes if the majority so desires and approves. Open defiance of the law cannot be tolerated.

Any of the human freedoms, in order to exist for a long period of time, must be matched with responsibility. Individual responsibility can be fairly easily defined and identified as long as the individual is acting by himself, but when he becomes a member of a crowd he seems to lose all sense of individual responsibility. This seems to be true of the small neighborhood gang, as well as the larger groups of mass demonstrations on college campuses who operate with no apparent sense of responsibility.

If we don't approve of a law, let us exercise our individual responsibility by trying to legally bring about a change in the law, not through open violation.

It is hoped that your education at Berkeley High School has prepared you to make proper decisions in carrying out your future responsibilities.

EDITOR'S MESSAGE

Few people realize the importance of this semester; our first as a four year high school. At this time, more than any other, the friendship and unity that persists at Berkeley High is particularly evident. With the hectic daily schedule each of us has, very seldom do we take time to stop and appreciate our fellow students.

The end of the semester is the time we all pause, look back, and meditate the seemingly small events which help us to become better, more understanding persons.

Unity and teamwork can best be seen when individuals combine to work toward one goal. Such an example is our own Pod staff. These few students, together with our excellent supervisor, Miss Smith, worked as a group to produce our yearbook. In the process, we intermingled our different backgrounds and experiences making constant compromises to reach a final and pleasing solution. But how often do we take time to delve into our relationships with others? Only when we come upon a situation which threatens our personal well-being do we notice those around us. We should take more time each day to study the unity needed for us to survive. Too often we think of ourselves as a world alone — heedless of our neighbors' demands. If we could but realize how much we need and use the talents and spirit of those around us, we would surely be more understanding.

Our years at school are the most character-forming time of our entire lives. So many wait until they are long out of school before they realize its importance, then look back and try to recall the faded faces, the forgotten names, the distant happenings. We mustn't allow ourselves to fall prey to this habit of ignorance. We have so much good about us, so many wonderful people with whom we can share our future. In this new year, let us promise to live and appreciate each day and the boundless limit of good it brings.

Friends and Students of B.H.S.:

At the beginning of the semester, the office of A.S.B.H.S. President loomed as one of the biggest challenges I had ever confronted. I was on the heels of an extremely efficient B.O.C. and did not know what to expect from the incoming Board of Control. I set my goals at this time and strove for them as the semester progressed.

Now, at the semester's conclusion I can safely say that all has not been for naught. I could not hope to say that everything was fine and that this semester's B.O.C. had been completely successful. For there is no such thing as a completely successful semester; if there was, there would be no purpose in school government.

Still, if the main functions of the B.O.C. have been partially fulfilled, then I am satisfied. If the students have, in some way, been made aware of the issues and future responsibilities facing them a citizens, then this is a sufficient reward for my efforts. For this, I feel, is one of the major aims of student government.

However, the one thing which I am sorry was not remedied, was the general lack of spirit exhibited at times by the student body. When 26 tickets are sold for an activity open to 3200 students, then something is truly wrong. I don't feel, though, that any one person should have to apologize for this lack of spirit — it is you, the students who should feel ashamed.

Still, I must admit that this semester has been an extremely stimulating, gratifying, and rewarding experience for me. I was extremely proud to represent B.H.S. at all times, and I am thankful for having this opportunity to do so. To you, the students, go my thanks for this opportunity. I shall never forget it.

A semester is a short time in which to make drastic innovations in any organization. Furthermore, I have realized the tremendous limitations within which most school organizations and officers must work. Particularly detrimental to efficient function of this organization has been tradition, which takes much time and energy to maintain, and which usually gains priority over original projects. Thus, it has been necessary to abandon ambitious efforts, in order to do the traditional work of the organization well. It appears now that this work will be successful, due to the help of my officers, sponsor, and numerous others — all of whose aid has been indispensable.

It is my hope that, in addition to upholding the present responsibilities of the G.A., my adminstration can examine the purpose of the G.A. and begin to make the changes which will update its functions, and provide for a more purposeful future.

"Friendliness and Service" being our motto, I decided that it was necessary for the Senior Friends to get to know each other well within the group. For, without friendliness and service within the group, it seemed unlikely that it would occur without. So we planned several group functions other than our regular weekly meetings. I hope that such functions as our barbeque and Christmas party can become semester activities of the Senior Friends.

Aside from the regular lollipop concession we sold candy canes during the week before Christmas vacation. It is my hope that candy canes will become as much a part of Senior Friends activities as lollipops. Both sales were fantastically successful due to the willingness and ability of the Senior Friends. My greatest appreciation and thanks go to my co-chairman, Margie Wohletz and Bronwyn Vincent, but above all to Mrs. Ulry. I shall always remember with happiness and pride the semester which we have spent together. Thank you each for your willingness to serve . . . and keep smiling!

At the beginning of this semester thirty-eight seniors accepted the responsibility of being a part of the Rally Committee. By working together at games, at rallies, and at the everyday routine of our posts, we became a tight running, efficient organization. We accomplished our purpose which is to be of service to our school in every way possible, and enjoyed doing so. I personally am very pleased with this semester's committee because they worked with real enthusiasm and dedication.

I would like to extend my thanks to co-chairman Dan Cooper for his invaluable assistance, to Mr. Wilson for his guidance and of course to each member of the committee for his excellent work this semester.

We have expressed our gratitude to Berkeley High for all it has given us in our three years here and we may be proud of the way in which we did it. This semester's Rally Committee was truly a credit to its school.

HONOR SOCIETY

DAVE ADAMS
Honor Society President

I hope that during the past semester the Honor Society has become more a part of campus activities. With joint cooperation between the Honor Society and C.S.F. we have tried to branch out into significant facets of campus and community life. Current social issues have been clarified and vitalized for us through debate and lectures which have generated a lively interest among members of the student body. Relaxation for Honor Society members has been provided through outing. Our hat checking and slope concessions have increased the amount of money in the Scholarship Fund so that we are sure of being able to continue the tradition of offering a scholarship to a graduating member.

Serving as president of the Honor Society has been an experience that I will never forget. I wish to thank our sponsor, Miss Repetto, and my officers for their help in organizing and planning this past semester. I believe that with a continuing purpose and wider functions, the 1965 Honor Society will be able to serve an even greater portion of the student body.

The Fall of 1964 has again shown that the Berkeley High Chapter of the California Scholarship Federation serves a significant role in school life. Its major purpose is the recognition of academic excellence in students, and serving as an impetus toward greater achievements.

The C.S.F. has also participated actively in school affairs by co-sponsoring the outing to Santa Cruz and debates on controversial issues; by sharing the H.S.-C.S.F. concessions; and by playing a vital role in the tutoring program. We hope the members have benefitted from any college and scholarship materials we have offered, and have taken advantage of all other H.S.-C.S.F. doings.

Kudos and words of gratitude to the energetic H.S. officers, and to Lauren and Robin for all their assistance.

JULIE PARTCH

To the January Class of "65":

Today's students are faced by a world of great exciting changes and political, economical, and social revolution. All over the world old customs, beliefs and creeds are being overthrown. New Customs, beliefs and creeds are being established; social orders are being changed and new values are being created. The students all over the world are among the leaders in this dynamic revolution.

This is a world in which we can have a vital role. It is absolutely wrong morally and spiritually for us to sit down and have everything done and decided for us. Today's people need our knowledge. We are too healthy, too youthful, and too full of ideas to be ignored by the community.

After graduation, we will be judged by the standards that we acquired in high school; we will be expected to produce something intelligible for the changing world. Let us not be afraid of changes simply because they create something new; it is only in changes for improvement that there can be advancement. We are often too afraid of making mistakes, so we do nothing. Progress will come only if we are willing to take chances, accept mistakes, and work to correct them.

Good luck and success to everyone.

The noted philosopher Gordon Frederick Thoreau once said, "It is not for man to judge the future." Unfortunately, that's what I have been asked to do.

In the first forty days, the office of class president has been more than a challenge. Though burdensome, it has had its rewards. Many students have willingly given their time and energy to our concession and car wash, and are enthusiastic about future activities. The success of the class is dependent on such people. The president's duty is not to do everything himself, but to utilize the talent at his disposal. While success is a result of student participation, failure comes from the president's neglect of this duty.

I will not attempt to evaluate this semester, because that is up to you. So far, for me, it's been more than an educational experience. As Gordon Frederick Thoreau said, "Duty leads to education, education to knowledge. It is for each man to decide where to go from there.

HIGH ELEVEN CLASS

CARL VON ROHR
President

MARGARET JACOBS
Vice President

KRIS KUHL
Secretary

Although the H-11 class is only a quarter the size of the normal class at Berkeley High School, in the past semester, and in other previous semesters, it has been able to attain a record of achievement comparable to, or even better than that of the larger classes. This success has come about as the result of the responsible work contributed by the class officers, but mostly on the strength of the enthusiastic support offered by the class in general, without which, the class activities could not have succeeded. I would like to thank the class for the co-operation that it has afforded me and to commend it for its impressive record.

LOW ELEVEN CLASS

HUGH SPITZER
President

EDWIN SANO
Vice President

ELLEN GUSTAFSON
Secretary

The traditional role of class government has undergone a drastic change in recent years. Emphasis has shifted from class spirit and activities toward the modern concept of minimizing the high costs of graduating. We must meet this shift realistically through new money raising techniques. Practical consideration shows that class activities must be oriented more towards producing profits.

The role of the class president in school government has also changed. Together with the involvement in the BOC in controversial matters, class presidents must now not only manage class activities, but also be active on the BOC in all its functions.

In the past semester we have greatly augmented our class funds through concessions, a car wash, and the Junior Prom. As class president I have served to represent student opinion as the agent of the L-11 class on the BOC. This semester has been a highly successful one for the class and augurs well for the future.

LOW TEN CLASS

LE VERO CARTER
President

LAZ LEWIS
Vice President

SUE PETERSON
Secretary

Mr. Curtice, Tenth Grade Officers and Students. I hope all the students of the tenth grade are satisfied with the efforts and achievements I have made while in office. I have truly enjoyed serving you as your president throughout my term of office. I would like to thank the people who nominated me for this office and those students who voted and stood behind me while in office. Also those who confronted and told me what they wanted and expected. I hope that all the tenth grade students will enjoy the eleventh grade and will make great efforts to achieve their goals of being better individuals. Again, a million thanks to the people who helped and guided me.

BEL CANTO

Bel Canto Choir is larger this year than ever before, numbering 146. We have been preparing for a joint concert with the Baroque Orchestra, to be given in the spring. Also, we plan to do a joint concert with West Campus groups. Accompanist this year is Margaret Knight; librarians are Patty Reidenbach, Nancy Hester, and Anne Grannell.

MR. THOMAS HAYNES
INSTRUCTOR

HARMONEERS

The Harmoneers present the rich sounds that only an all-male chorus can have. Under the direction of Mr. Robert Pearson, the Harmoneers have achieved a degree of accomplishment and a reputation for excellence that is unsurpassed by any chorus of its kind in the area.

AEOLIAN CHOIR

During our semesters of competition and performances with other choruses, Aeolian always comes out on top. However, the glory that is Aeolian's does not belong to us alone, but to the hard work and leadership of Mrs. Hardester, our conductor, who is the backbone of the choir's success.

A. F. S.

This year the American Field Service program has made it possible for three exchange students to spend their school year at Berkeley High. The presence of these students has provided an opportunity for our student body to gain a vital knowledge of international understanding and friendship as it exists in the world today.

I urge all of you who have not already done so to establish a relationship of some kind with these students. I know you will be glad you did.

DAVE PARSONS
AFS PRESIDENT

When compared to my school in Denmark, Berkeley High appears to be very interesting. Although it is rather confusing in its general structure, I feel that it does provide the students with a multitude of opportunities.

I am impressed by the responsibilities of the Board of Control and the maturity of the Daily Jacket. The relationship between students and teachers is more friendly than at home. For the first time I have enjoyed the thrill of occupying the desk of a counselor, or saying "Hi" to a principal.

ALBERT BRYLD-HANSEN
AFS EXCHANGE STUDENT FROM DENMARK

Since I arrived as an A.F.S. exchange student from Ecuador on August 31, I have spent the most interesting days of my life. It has been a semester of new and different experiences not only in my studies but also with the football games and the various school clubs. Each da· I know you students better, I like you more and I feel so happy to share my life with you. I cannot impress upon you my gratitude for the warmth and friendship that I have found here in Berkeley High.

Gracias a todos por la carinosa acojida que me han brinado.

ADA CRESPO
AFS EXCHANGE STUDENT FROM ECUADOR

These few months that I have been attending Berkeley High have passed almost too fast for me. Each day has brought a new and great experience. I have gotten to know new people whom I met in the hall and said "Hi" to as they ran to their next class, also those students I have come to know through working with them and having fun in many numerous and interesting activities that Berkeley High offers.

I want to say to everyone, "Thank you so much for helping me feel like a member of this great school, which I will never forget."

TOM PARKER
HEAD COACH

The 1965 Jackets' football team finished the season with a winning 6-1-2 record.

The 1965 Jackets opened the season with only four returning lettermen. Through hard work and sacrifice the Jackets developed into a solid football team which compiled a 6-1-2 record for the season. Once again the defense led the way allowing only 51 points in nine games for a 5.6 points per game average. The defense was spearheaded by all conference choices Ken Dotson, Paul Cotton, and Jeff Shaffer ably assisted by Sam Wall, Willie Johnson, Gary Cohen and Mike Hare. Offensively the Jackets were led again by Dotson, the outstanding back in the East Bay, who led the team with 887 yards rushing and 120 passing.

The 1965 Jackets proved that they were a tough, hard-nosed football team and they and their supporters can be proud of their effort.

RICHMOND

Willie Johnson clicks off 12 yards for a first down against Richmond. Berkeley shut out the Oilers 12-0 in the first game of the season.

HARRY ELLS

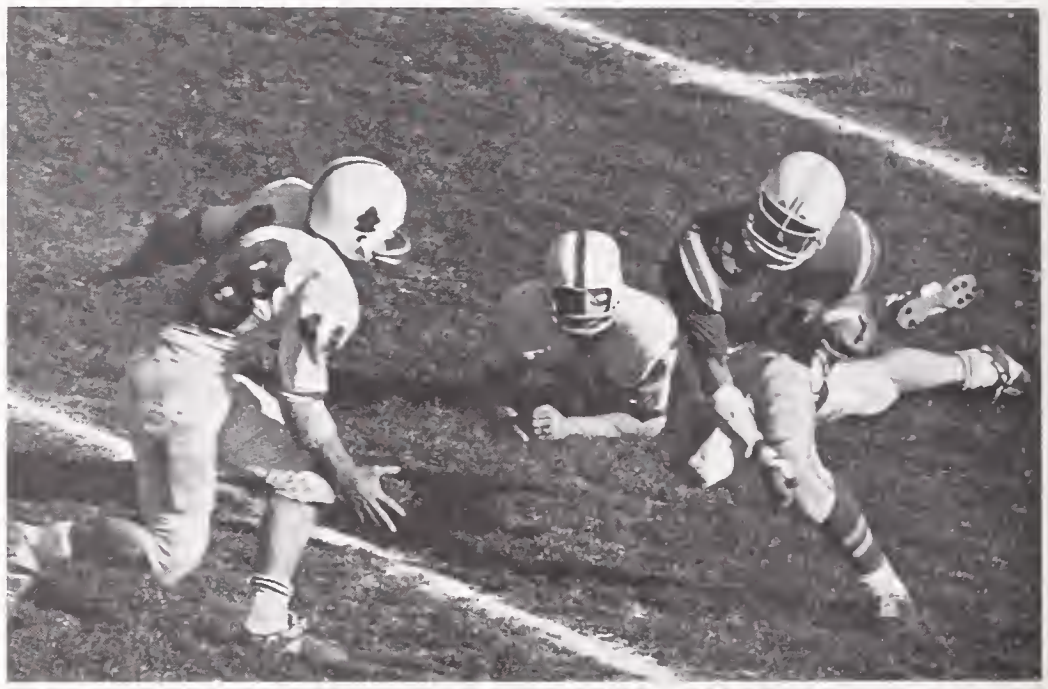
Kent Cade brings an Eagle ball carrier to a halt in this game against Harry Ells. The Jackets scored five touchdowns in the first half, but were blanked in the second half in a 31-6 victory.

EL CERRITO

Sam Wall (No. 39), helped out by Johnnie Williams (No. 88), runs a punt back 36 yards to set up Berkeley's first touchdown in a 12-7 heart-stopping victory over the Gauchos.

SAN LEANDRO

Paul Cotton fakes out two Pirate defenders on his way to a 14-yard dash around left tackle. The Jackets were down for three quarters, but came back with a touchdown in the fourth to earn a tie with the Bucs 6-6.



ALAMEDA

Alameda handed the Jackets their first league loss in two years, holding them to a scoreless 0-0 deadlock until the last few minutes of the fourth quarter when Alameda kicked a field goal to win 3-0. The loss also knocked Berkeley out of first place and ruined its title hopes. Here Ken Dotson drives for 14 yards and a first down.

PACIFIC

Jeff Read (No. 19) runs around right end to score a point after a touchdown that was crucial in a 7-7 deadlock with the Vikings. Helping out Read is Vern Nakahara.

ENCINAL

Ken Dotson breaks away from Jet defenders on his way to a 68-yard touchdown scamper down the sideline. Dotson scored four of Berkeley's five touchdowns to aid the Jackets in a 33-13 rout, and totalled 228 yards on the ground for a league season high.

DE ANZA

Ken Dotson, helped out by Paul Cotton (No. 30), gains yardage in the DeAnza mud. The Jackets ended the season by edging the Dons 7-3. This gave them a 5-1-2 league record and third place in the A.C.A.L.

As this semester comes to a close, I would like to thank all of the people involved with the organization who gave their time and effort. I also want to thank Mr. Davies, our sponsor, for his time and effort in keeping the organization on its feet.

Our concession this semester was selling pencils, it was a great success because of the people who worked on it.

I want to thank all of you for giving me the chance of serving as your representative on the B.O.C. It was an entrusting and rewarding experience.

I wish the President and Block "B" organization great success in the future.

With the official opening of the new locker room the Girls Athletic Association inaugurated a new semester. It turned out to be highly successful with the initiation of a joint Block "B"-G.A.A. Sports Night, the creation of the Archery Club, and partial combination with the West Campus G.A.A.

I want to thank my vice president Grace Lee for her untiring work on constitutional revision, the other officers, Lin, Pat, and Mildred and our sponsor Miss Anderson. But without the enthusiastic and hard working support of the G.A.A. members these activities would have been impossible. So on behalf of the whole G.A.A. Council, Thanks

Dear Barbara,
It has been fun in drama. Best of luck always in everything you do. Only one year. This is your last semester and we didn't get to know each other better.
Susan Coburn

Bobbie —
I'm really glad I got to know Cathy this semester because I got to know you too. 2 friends in one family for me. Good Luck forever. Good Luck
Love Karen
P.S. I'm glad you like my cookies

Barbara,
I don't know what to say to you, either, but first: I hope you find Miss [illegible] so that you can tell her whatever you must tell her whatever you must —
Best of luck next semester and always.
Ciao
Lynn

[illegible] a really nice girl like you [illegible] that just came [illegible]

Dear Barbara

Its been nice to know a nice girl like you. You gave a swell party and one of best. Good luck with everything always

Frankie Lee

Dear Barbara,
I'm so glad you finally turned up in another class I like mine in B.H.S. I like this course better than U.S. II I guess.
The best always,
Ann

Dear Barbara
It's been fun to know such a swell girl like you. Good luck with everything always

Barbara-
Hasn't been just a blast!?! I sure hope that you liked it better than I. You're really a sweet person, and I'm glad I got to know you better. Well-as the old saying goes:" Good luck and be good."
Love
Donna

Barbara,
Everything been fun this semester!?! and thanks a lot for all the help. I sure hope has been lots of fun, and's we're together next semester so you can help me. Band will be lots of fun! Good luck, have happiness and success in your "many goal" for secretary! I hope you succeed in your "many goal" for secretary!
Love
Pam

Barbara—
Its been real nice this semester. I wish it
Band is so much fun. I wish it
was still marching season. Too
bad we didn't get to go to
Washington. Maybe we'll
go on a trip in spring.
Good Luck Always.
Love and Best Wishes—

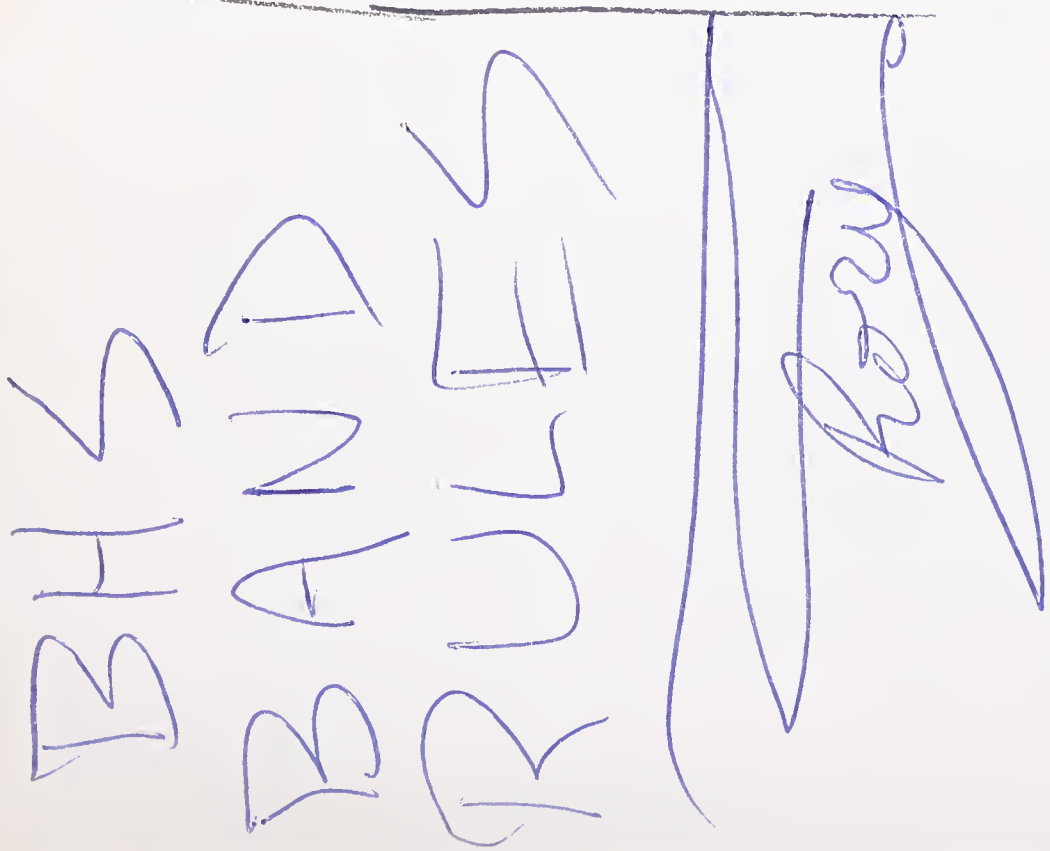
DEAR BARBARA,
I think this semester has been fairly successful. We won the Spirit Cup anyway

I hope I see as a H-12. Our last semester - Gee. Well, as you say, See you Tuesday.
Good Luck, JOAN



Dear Barbara,
Well, just one more semester - remember Intermediate band in the low-10? We've come a long way since; I know you're looking forward to next semester, as I am. 'Twas wonderful getting to know you better at Cozy and in Marching Band. See you next semester.
Always, Ola. -65
